## For Our Customers—The Best

From more than one thousand varieties of the world's finest spring-flowering bulbs grown in our trial gardens at **Lenteboden**, New Hope, Pennsylvania, we have selected the best in the various color groups for this list. Only top size and quality bulbs are offered.

For those of you who wish to let us do your selecting as to variety we cannot recommend too highly the various tulip and daffodil collections and mixtures listed below. These bulbs are all taken from our regular stock of top-quality named varieties, but varied so that each buyer will not receive the same exact kinds as everyone else. The collection price is in each instance considerably lower than the average price of the varieties of which it is composed.
